Companions of the Order of Malta

Volunteer Registration Form for 16 – 18 year olds

Thank you for volunteering with the Companions of the Order of Malta. The information you provide to us below will be stored in confidence under the provision of the Data Protection Act. Your completed form will be held securely and confidentially. Only authorised staff will have access to your information. Your information will not to be shared with any third parties.

It is necessary for 16 – 18 years olds to have a Named Responsible Adult with you whilst you are volunteering with the guests. If you are just helping set up and are not going to be present when the guests are in attendance, a Named Responsible Adult is not required to be present, though we will still require their contact details.
