INTRODUCTION

1.1 This complaints policy is applicable to and governs the activities and conduct of each of the following organizations (referred to hereinafter separately and collectively as the Order) and all those persons who volunteer or otherwise work on behalf of the Order:

- 1.1.1 British Association of the Sovereign Military Order of Malta (BASMOM) an incorporated charity registered under the name BASMOM and number 1103567 its committees and affiliates. BASMOM has sole charge of the hospitaller activity in England, Scotland & Wales of the Sovereign Military Order of Malta a lay religious order, including, for example, pilgrimages to Lourdes and Walsingham, care of the elderly, supporting the homeless, organising soup kitchens, contributing to international hospitaller initiatives and so forth.
- 1.1.2 The Companions of the Order of Malta (the CoM) constituted as part of BASMOM and supported by subscriber members known as Companions. The CoM is dedicated to delivering the charitable work of BASMOM through the voluntary work of Companions and those who volunteer to work with us. The main aims of the CoM are the care of the marginalised and homeless, the poor and the elderly, as well as supporting BASMOM pilgrimages and religious services.
- 1.1.3 The Grand Priory of Blessed Adrian Fortescue of the Order of Malta Trust, a registered charity under no.1166645, which has as its objects the advancement of the Roman Catholic Religion, of any charitable works of the Order, and the relief of poverty.
2. The Order of Malta (“BASMOM” or “the Charity”) takes complaints seriously, whatever their source. For this reason, the trustees of the Charity (“the Trustees”) require there to be a process for raising and dealing with complaints seriously and in a formal manner.
3. This Policy sets out the requirements for raising, and dealing with, a complaint. It should be noted that the requirements of this policy do not apply in cases where child protection issues are involved. In such cases, the separate Safeguarding and Child Protection Policy should be consulted.
4. This policy applies to the Trustees, the members of BASMOM Council (“BASMOM Committee”), BASMOM Members and the Charity’s Volunteers.

5. On behalf of the Trustees, the BASMOM Committee members must ensure that the contents of this Policy are communicated to all the Charity's Members and Volunteers. This communication must be evidenced in writing and refreshed on an annual basis.
6. BASMOM must publish this Policy on its website.

Policy

7. The Hospitaller of BASMOM ("BASMOM Hospitaller") is responsible for establishing appropriate procedures and documentation to ensure that the requirements of this Policy are followed. The BASMOM Chancellor will submit a short report on the number and type of complaints to the Trustees on an annual basis.

Raising a Concern

8. It is the expectation that most problems can be addressed by raising a concern, either with the appointed leader of the relevant BASMOM, Companions or Grand Priory activity or, failing that, the BASMOM Chancellor. A Concern becomes a Complaint if it cannot be resolved in this informal manner and is received by the Charity in writing.
9. The formal complaints procedure set out below should only be followed if a Concern has been not been resolved, unless the person making the Complaint considers that it is sufficiently serious that it cannot be addressed informally.
10. Whether informal or formal, all Concerns and Complaints must receive fair and proper consideration and a timely response. Typically, concerns should be resolved within fifteen working days of being raised. Making a Complaint.

11. Where someone wishes to make a formal Complaint about an activity organiser or Volunteer, they should do so in writing addressed to BASMOM Chancellor in the first instance. Any Complaint about a Trustee should be addressed to the President of Trustees. If a Child wishes to make a Complaint, their parent or guardian should countersign the document.
12. All Complaints will be treated in accordance with the Charity's Confidentiality Policy.
13. The BASMOM Hospitaller or the President, as appropriate, will determine the best way to address the Complaint and whether or not responsibility for dealing with it should be delegated to another member of the BASMOM Committee or another Trustee, as appropriate.
14. The BASMOM Hospitaller or the President, as appropriate, is responsible for ensuring that the Complaint is resolved in a timely manner and that the person making the Complaint (and their parent or guardian in the case of a Child) is kept fully informed. Most Complaints should be resolved within fifteen working days.
15. The person making the Complaint will be notified of the decision of the Hospitaller of BASMOM or the President, as appropriate, in writing and may request a meeting with the BASMOM Hospitaller or the President, as appropriate, to clarify any points arising from the decision.
16. A written record must be kept of all Complaints, the date on which they were received, the discussions that arose, the resolution agreed and whether or not the matter was taken to appeal. These records will be kept for a period of five years.
17. In the event that the person making a Complaint is dissatisfied with the outcome of the decision of the BASMOM Hospitaller or the BASMOM President, as appropriate, they may make an Appeal to an Independent Complaints Panel ("ICP").

Making an Appeal

18. Where a person making a Complaint wishes to make an Appeal against the decision of the BASMOM Hospitaller, they should notify the President of BASMOM. An Appeal against a decision of the President of Trustees should be made to one of the other Trustees ("the Alternative Trustee"). Any notification should be in writing within ten days of having been notified of the initial decision and should request that an ICP be set up for this purpose of hearing their Appeal.
19. The letter from the person requesting an Appeal must set out the reasons for the Appeal, together with the remedies that they are seeking.
20. On receiving such an Appeal, the President of BASMOM or the Alternative Trustee must set a date for the hearing. The date of the hearing should be within twenty working days of the date of the Appeal letter (but not less than ten working days in order to allow time for the submission of written evidence).
21. It is the responsibility of the President of BASMOM or the Alternative Trustee to select the members of the ICP and to appoint a President ("the President of the ICP").

22. All written evidence to be considered by the ICP must be submitted to the President of the ICP no later than five working days before the date of the hearing.
23. The role of the ICP is to assess the merits of the Appeal, based on the facts presented to it by the Appellant and any other interested parties. The ICP is obliged to consider only the matters raised in the letter requesting the Appeal, although it may use its discretion to consider other relevant matters if it sees fit.
24. When considering an Appeal, the ICP will take the following into account:
 - i. Did the BASMOM Chairman or the President, as appropriate, act within his or her authority?
 - ii. Did BASMOM President or the President of Trustees, as appropriate, act reasonably given all the facts and circumstances at the time of the decision?
 - iii. Was due process followed? iv. Are there any subsequent mitigating factors not available to the BASMOM Chancellor or the President at the time of the decision?
25. If the Appeal relates to, or includes, a Complaint about the behaviour of BASMOM President, the ICP will also consider:
 - i. Whether the facts demonstrate that BASMOM President has breached the terms of his or her office
 - ii. Whether the facts demonstrate that BASMOM President has breached the Charity's policies
 - iii. Whether the facts demonstrate that BASMOM President has not behaved in accordance with the standards expected by the Charity Should the ICP find that any of these points has been demonstrated, the matter must be referred to the President of Trustees for consideration at a meeting of the Board of Trustees.
26. The President of the ICP has total discretion to determine how the Appeal will be heard, who may attend and who may present to it, save for the following points:
 - i. If the Appeal involves a Child, his or her parents (or guardians) may choose whether or not the Child should attend.
 - ii. The Appellant has the right to submit written evidence to the ICP and to address the Panel with regard to the Complaint.
 - iii. BASMOM President has the right to submit written evidence to the ICP and to address the Panel with regard to the Complaint. 4
27. The ICP should attempt to come to a decision at the hearing and notify the Appellant at the time. If the ICP decides this is not practicable, then the President of the ICP will notify the Appellant and BASMOM President that further consideration is necessary. A final decision must be reached within fifteen working days of the hearing.
28. It is the responsibility of the President of the ICP to inform the Appellant, BASMOM President in writing. The letter will state the reasons for decision and any recommendations arising from it.

29. The President of BASMOM must ratify any decisions that may have financial implications before any such decisions are finalised or communicated to the parties involved.
30. The President of BASMOM is responsible for overseeing the implementation of decisions and recommendations affecting the Charity.
31. The President of BASMOM must report all Appeal decisions to the next meeting of the Board of Trustees.

Review

32. The Policy owner must keep up to date with relevant legislation and Charity Commission guidance and update the Policy whenever necessary. The Board of Trustees must approve the revised version.
33. The Policy owner must review the Policy at the end of October each year and either submit a revised Policy for approval by the Board of Trustees or confirm in writing to the President of BASMOM that the current version remains fit for purpose.
34. The Board of Trustees must formally review and re-approve this Policy every five years.
